Subpart B—General Requirements

§ 22.11 General permit requirements.

No person shall take, possess, or transport any bald eagle (*Haliaeetus leucocephalus*) or any golden eagle (*Aquila chrysaetos*), or the parts, nests, or eggs of such birds except as may be permitted under the terms of a valid permit issued pursuant to the provisions of this part and part 13 and under § 21.22 (banding or marking permits), or under a depredation order issued under subpart D of this part.

§ 22.12 General restrictions.

No person shall sell, purchase, barter, trade, or offer for sale, purchase, barter, or trade, export or import, at any time or in any manner, any bald eagle (*Haliaeetus leucocephalus*), or any golden eagle (*Aquila chrysaetos*), or the parts, nests, or eggs of such birds, and no permit will be issued to authorize such acts.

Subpart C—Eagle Permits

§ 22.21 Permits for scientific or exhibition purposes.

The Director may, upon receipt of an application and in accordance with the issuance criteria of this section, issue a permit authorizing taking, possession, or transportation of bald eagles or golden eagles, or their parts, nests, or eggs for the scientific or exhibition purposes of public museums, public scientific societies, or public zoological parks.

(a) *Application procedure.* Applications for permits to take, possess, or transport bald or golden eagles, their parts, nests or eggs for scientific or exhibition purposes shall be submitted to the appropriate Special Agent in Charge (See: § 13.11(b) of this subchapter). Each such application must contain the general information and certification required by § 13.12(a) of

this subchapter plus the following information:

(1) Species of eagle and number of such birds, nests, or eggs proposed to be taken, possessed, or transported;

(2) Specific locality in which taking is proposed, if any;

(3) Method taking proposed, if any;

(4) If not taken, the source of eagles and other circumstances surrounding the proposed acquisition or transportation;

(5) Name and address of the public museum, public scientific societies, or public zoological park for which they are intended;

(6) Complete explanation and justification of request, nature of project or study, number of specimens now at institution, reason these are inadequate, and other appropriate explanations.

(b) *Additional permit conditions.* In addition to the general conditions set forth in part 13 of this subchapter B, permits to take, possess, or transport bald or golden eagles for scientific or exhibition purposes, shall be subject to the following condition: In addition to any reporting requirement set forth in the permit, the permittee shall submit a report of activities conducted under the permit to the Special Agent in Charge within 30 days after expiration of the permit.

(c) *Issuance criteria.* The Director shall conduct an investigation and not issue a permit to take, possess, or transport bald or golden eagles for scientific or exhibition purposes unless he has determined that such taking, possession, or transportation is compatible with the preservation of the bald or golden eagle. In making such determination, the Director shall consider, among other criteria, the following:

(1) The direct or indirect effect which issuing such permit would be likely to have upon the wild populations of bald and golden eagles;

(2) Whether the expertise, facilities, or other resources available to the applicant appear adequate to successfully accomplish the objectives stated in the application;

(3) Whether the justification of the purpose for which the permit is being
